Every Intrepid adventure starts with curiosity.
A desire to understand, to learn something new, to challenge beliefs and push boundaries. To switch on our out-of-office alerts, to say farewell to daily routines, to have fun.
For some, being Intrepid means trying a dish they can’t pronounce, or learning the salsa in a Cuban bar. It’s climbing a mountain, or an encounter with a silverback gorilla.
For others, it’s packing for a solo adventure, getting out of that bubble of familiarity, and making new friends in all corners of the globe.
Whether you’ve been travelling for years or you’ve never left home, we want to lead you to those moments of discovery, to satisfy that curiosity, to be Intrepid.
Because now, more than ever, the world needs more Intrepid people.

Smaller groups

Our groups are perfectly sized – on average, just ten travellers – to let you feel like you’re exploring a destination independently, but big enough to create a good social vibe. Whether it’s swapping stories at a local homestay, sharing a table at a hole-in-the-wall restaurant, or enjoying a drink at the end of a jam-packed day, our small group size opens up big opportunities the larger groups can only dream of.

We’re all about real life experiences. The surprising moments that turn into the stories you tell for years to come. You’ll find them off the beaten track, in the bustle of a Marrakech souk or a quiet village along the Mekong Delta. These experiences are raw, authentic and totally unforgettable.

**HOW WE Travel**

**AUTHENTIC FOOD**

We know that food while you travel is more than fuel, and our trips include meals that enhance your adventure and give you a taste of the local flavours. Think a traditional Khmer dinner in the grounds of a Cambodian temple, or a hearty dinner with an Amish family in Berlin, Ohio.

**STAY REAL**

We think where you lay your head can be just as immersive as what you see in the day. Like spending the night at a 17th-century Rajasthani castle or a gite in the High Atlas Mountains. No matter where we stay, we always choose locally run accommodation.

**GET AROUND, GO DEEPER**

Wherever possible, we do things the local way – including transport. It’s better for the environment and a great way to immerse yourself in another culture. From gliding through the backwaters of Kerala in a pole boat, to zipping through Tochigi on a bullet train, we choose ways to get you there that take you deeper.

**THE ICONIC AND THE UNEXPECTED**

Sure, the first time you look at a famous monument is incredible, but so is finding yourself in the middle of a village football game or sharing a laugh with a market vendor. Our trips combine the iconic with the unexpected to give you genuine insight into local life.

**LOCAL CONNECTIONS**

By sharing laughter, stories and adventures with local people, you’ll learn about different ways of life. More importantly, you’ll find common ground. We believe you’ll learn more sharing a meal in a small community in Vietnam’s Da Bac or staying in a Nepalese village recovering from the 2015 earthquake, than wearing a headset and following a flag.
No matter what kind of adventure you’re looking for, our themed trips will help you find it. Whether you want to pump the pedals, discover a destination through its culinary treats, or travel with kids, our diverse range of themed itineraries has got you covered. Find out more at intrepidtravel.com/theme

**FESTIVALS**

These trips are champagne-flowing, lantern-lit, confetti-filled fun. Immerse yourself in the festive spirit on our Russia Highlights – New Year experience and join the locals for an unforgettable vodka-fueled celebration. Na Zdorovie! Enter WBSW on our website to find out more.

**CYCLING**

It’s just you, the wind and the wide-open road. Powered by your own legs (and a glass or two of Plavac Mali), Cycle Croatia has you pedaling past charming villages and ancient harbor towns before cooling off in the Adriatic’s sublime sapphire waters, see page 61

**SAILING**

Whether you want to navigate the seas and learn the ropes or kick back on deck and sink up the rays, our sailing trips have something for everyone. Take an unforgettable voyage through the glistening Mediterranean as you dine on fresh seafood, explore ancient ruins and fall in love with beautiful landscapes on our Amalfi Coast Sailing Adventure, see page 71

**FOOD**

These tours get you munching and crunching just like the locals. Feast on delicious local dishes, slurp on some legendary brandy, and discover the flavour-filled secrets of Caucasian classics on our Armenia & Georgia Real Food Adventure, see page 97

**ADVENTURE CRUISING**

Small groups and small ships mean you can dock in remote ports and get to know the locals, not outnumber them. Jump on board a traditional gulet and embark on an experience brimming with ancient history, iconic sunsets and plenty of Turkish delights on our Cruising the Turkish Coast trip, see page 76

**CHOOSE YOUR STYLE**

Every one of our trips has a particular style. It’s a way to help pick the adventure that best suits you, whether you’re after just the essentials, a whole bunch of inclusions or a little bit of both. The choice is yours.

**BASIX**

Authentic experiences and the icons at a great price, our Basix trips feature simple accommodation, local transport and are perfect for the independent traveller.

**ORIGINAL**

These are the trips we’ve built our reputation on! A mix of included activities and free time, tourist-class hotels and unique accommodation, some meals on us and the chance to follow your nose.

**COMFORT**

More inclusions, cushier accommodation and a more relaxed pace – comfort trips are adventure travel with some of the rough edges smoothed away.

**PHYSICAL RATING**

Each of our trips has a physical rating, so you can tell how exerting a trip is and how fit you’ll need to be to enjoy it. As a guide:

- Easy and relaxing
- Bring your walking shoes
- An average level of fitness required
- Action-packed, physically demanding
- Full-on active adventure for the more agile traveller
MEET YOUR Leaders

Our award-winning leaders are a diverse bunch with one thing in common: a passion for their part of the world. Here are just some you might meet on your travels.

**SASHA**
THAILAND

Whether she’s taking travellers to the best pad ka prow stall in Bangkok or the floating markets of Amphawa, Sasha helps people really connect with Thailand with her signature warmth and local knowledge. What matters most to Sasha is being kind and open, having fun, and providing her groups with an awesome experience of Thailand.

**ANKITA**
INDIA

She’s a friend and a translator, a problem-solver and that all-important link between being a traveller and a local. And while she loves being able to travel all over India, Ankita’s favourite thing about leading for Intrepid is meeting new people and having different conversations every day. Her other fave thing? Introducing travellers to her most-loved Indian food: vegetarian thalis, a platter made up of curries, pickles, rice and bread (and watching them try to finish it!).

Animal welfare

In 2014, we became the first global tour operator to ban elephant rides on our trips after we funded eye-opening research by World Animal Protection.

Gender equality

In 2017, we committed to doubling our number of female leaders by 2020; since then, we’ve grown from 150 to over 300 female leaders globally.

Ending modern slavery

Last year, we campaigned for laws that recognised orphanage tourism as a form of modern slavery. In 2016 we removed orphanage visits from all of our itineraries.

Community-based tourism

In 2014, we became the first global tour operator to ban elephant rides on our trips after we funded eye-opening research by World Animal Protection.

We don’t think travel should cost the earth, and we see it as our responsibility to help protect the planet we love to explore. We’ve been carbon neutral since 2010, and we offset the carbon emissions from our global business offices and our trips by supporting various projects all over the world.

Since 2002, The Intrepid Foundation has been offering travellers a tangible, transparent way to give back to the communities we visit. It’s simple: you donate, we double your contribution, and then we give 100% of that money to a community-based project. Thanks to you, we’ve donated over AU $7 million to more than 130 local organisations around the world, helping to improve the livelihoods of vulnerable individuals and communities through sustainable travel experiences.

Things slow down in Italy. Not to a crawl, but to a delightful saunter. It’s a place where you soak in your surroundings, savour your espresso and linger a little longer at dinner. And it’s a pace that makes cycling the perfect way to see the beautiful Tuscan countryside. From the rolling hills, each with a tiny town full of charm you wouldn’t even know to visit on your own, to the endless array of delicious local cuisine, this region is a cyclist’s dream. It’s why I jumped at the chance to join Intrepid Travel’s Cycle Tuscany trip. From the views to the food, the big to the little, the trip was full of unforgettable moments.

**I’M A SOLO TRAVELLER IN MY 40S; HERE’S WHY I LOVE GROUP TOURS**

The solo travel bug came early for me, and the courage to act on it came much later. Now in my 40s, this is my go-to mode of travel. I prefer solo travel, and a great way to do it is through a group experience either at the beginning of a trip, or for the whole duration. This summer, I did a group trip with Intrepid Travel in Portugal called Portugal Real Food Adventure, featuring Galicia. The trip starts at the end of the Camino trail in Santiago de Compostela, Spain and ends in one of my most favourite cities: Lisbon, Portugal.

Find out what I loved about this trip, and the top 3 reasons why I prefer group travel when solo.

**PICKLES, DUMPLINGS & CAVIAR: HOW TO EAT LIKE A LOCAL IN RUSSIA**

One of the biggest surprises you get when visiting Russia these days is the variety of proper, good food. Gone are the days of sushi and stodge. Now high calibre chefs are rediscovering indigenous Slavic dishes and swearing by local products like marbled beef from Bryansk, Russian mozzarella, world-class Crimean wine. And experiencing them in situ is the only way to go. Find out what you can expect to eat – and where – on a ten-day Real Food Adventure around Russia.

SAILING

Life doesn’t get much better than sailing Europe’s coastlines. Wake with a swim, head ashore for a croissant (or bread and honey, or biscotti), sail to the next bay, swim a bit more, sunbathe a little, go for a stroll, snooze on deck, check out centuries-old architecture...

With France, Italy, Croatia, Montenegro, Greece and now the islands of Sardinia and Corsica to choose from, our small-group sailing adventures offer temperate climes, exceptional cuisines, stunning scenery and lashings of history.

MEET THE FLEET

We use classic monohull yachts for all our European sailing adventures (it helps to get into that old-school Euro vibe). Each vessel typically carries an average of nine travellers, plus an experienced local skipper. On the Cote d’Azur (France), Sardinia, Amalfi (Italy), Corfu (Greece), Croatia and Montenegro we sail a Bavaria 50 or Cyclades 50.5. These yachts are typically 50–52 ft, with four or five double/twin cabins and two to three bathrooms. In the Greek Islands we sail on Ocean Star yachts, which are 56 ft in length and have five cabins – a mix of doubles, twins and triples – with ensuite bathrooms.

ADVENTURE CRUISING

Want a bigger ship with more creature comforts? Our Adventure Cruises feature larger ships than our sailing trips without skipping on the essential small group experience. With us, cruising is all about the destination and less about the kitsch and conga lines you’ll find on typical big ship cruises. Better still, we use smaller ships that allow us to stop at the little islands the big ships just can’t reach; exploring towns and learning the culture of a place from the locals. This is cruising, Intrepid-style.

MOROCCO, EGYPT & THE MIDDLE EAST

What links these destinations together? It’s the exhilarating feeling of getting more than you bargained for. You’ll discover it in the company of your Berber hosts in the High Atlas Mountains and feel it among the crowded bazaars and aromatic souqs of downtown Amman. It’s obvious in every mouthful of slow-roasted lamb in Marrakech and each beer you drink in a Jerusalem laneway bar. There’s more to these places than meets the eye, even when what meets the eye – towering minarets, the Pyramids of Giza, the pink-hued columns of Petra – is spectacular.
