LOCAL LEADERS SUSTAINABLE TRAVEL Ve are all INTREPID

Every Intrepid adventure starts with curiosity.

A desire to understand, to learn something new, to challenge beliefs and push boundaries. To switch on our out-of-office alerts, to say farewell to daily routines, to have fun.

For some, being Intrepid means trying a dish they can't pronounce, or learning the salsa in a Cuban bar. It's climbing a mountain, or an encounter with a silverback gorilla.

For others, it's packing for a solo adventure, getting out of that bubble of familiarity, and making new friends in all corners of the globe.

Whether you've been travelling for years or you've never left home, we want to lead you to those moments of discovery, to satisfy that curiosity, to be Intrepid.

Because now, more than ever, the world needs more Intrepid people.

CHOOSE INTREPID

THE ULTIMATE ITINERARIES

We know this is your trip of a lifetime, and we're committed to making it unforgettable. Our itineraries strike the perfect balance between the structured and the spontaneous, with a focus on experiences only made possible when you're travelling with a local leader. You want freedom and flexibility as well as the highlights – that's why we craft tours that give you both.

LEGENDARY LOCAL LEADERS

Get ready to go beyond the main streets and into the heart of a destination. Travelling with our expert local leaders means you can focus on being in the moment instead of worrying about missing the last train out of town or where you can safely stroll. It's adventure travel with all the boring details taken care of, guided by a local who wants to bring you into their world.

We run thousands of trips in a range of styles and visit every continent on earth. And we do it all with our signature attention to detail and passion for real life experiences. Our destination experts are constantly scouring the globe for sights and experiences to share – so you can discover your new favourite place, or explore a guidebook staple from a new perspective.

02

SMALLER GROUPS

Our groups are perfectly sized – on average, just ten travellers – to let you feel like you're exploring a destination independently, but big enough to create a good social vibe. Whether it's swapping stories at a local homestay, sharing a table at a hole-in-the-wall restaurant, or enjoying a drink at the end of a jam-packed day, our small group size opens up big opportunities the larger groups can only dream of.

TRAVEL FOR GOOD

05

We know our travellers care about the world as much as we do. From a meal made with produce grown on a family-run farm to learning how to basket-weave in a small village that's home to a community-based tourism project, when you travel with us you know that your journey is giving back. Don't just take our word for it – as the world's biggest travel B Corp, we follow strict ethical standards on sustainability, supply chains and social responsibility.

2 Intrepid Worldwide 3

HOWWE

We're all about real life experiences.
The surprising moments that turn into the stories you tell for years to come.
You'll find them off the beaten track, in the bustle of a Marrakech souk or a quiet village along the Mekong Delta. These experiences are raw, authentic and totally unforgettable.

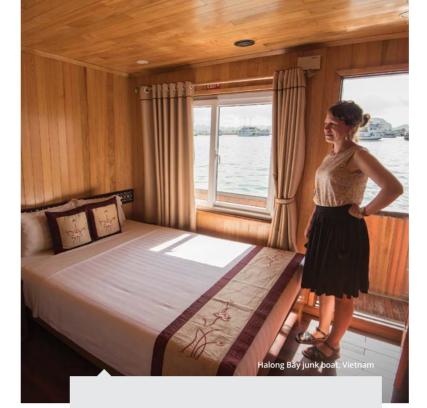

THE ICONIC AND THE UNEXPECTED

Sure, the first time you look at a famous monument is incredible, but so is finding yourself in the middle of a village football game or sharing a laugh with a market vendor. Our trips combine the iconic with the unexpected to give you genuine insight into local life.

AUTHENTIC FOOD

We know that food while you travel is more than fuel, and our trips include meals that enhance your adventure and give you a taste of the local flavours. Think a traditional Khmer dinner in the grounds of a Cambodian temple, or a hearty meal with an Amish family in Berlin, Ohio.

STAY REAL

We think where you lay your head can be just as immersive as what you see in the day. Like spending the night at a 17th-century Rajasthani castle or a gite in the High Atlas Mountains. No matter where we stay, we always choose locally run accommodation.

GET AROUND, GO DEEPER

Wherever possible, we do things the local way – including transport. It's better for the environment and a great way to immerse yourself in another culture. From gliding through the backwaters of Kerala in a pole boat, to zipping through Tochigi on a bullet train, we choose ways to get you there that take you deeper.

Sarred Valley Peru

LOCAL CONNECTIONS

By sharing laughter, stories and adventures with local people, you'll learn about different ways of life. More importantly, you'll find common ground. We believe you'll learn more sharing a meal in a small community in Vietnam's Da Bac or staying in a Nepalese village recovering from the 2015 earthquake, than wearing a headset and following a flag.

SEE THE WORLD way

No matter what kind of adventure you're looking for, our themed trips will help you to find it. MEET YOUR eaders

Our award-winning leaders are a diverse bunch with one thing in common: a passion for their part of the world. Here are just some you might meet on your travels.

Whether she's taking travellers to the best pad ka prow stall in Bangkok or the floating markets of Amphawa, Sasha helps people really connect with Thailand with her signature warmth and local knowledge. What matters most to Sasha is being kind and open, having fun, and providing her groups with an awesome experience of Thailand.

She's a friend and a translator, a problem-solver and that allimportant link between being a traveller and a local. And while she loves being able to travel all over India, Ankita's favourite thing about leading for Intrepid is meeting new people and having different conversations every day. Her other fave thing? Introducing travellers to her most-loved Indian food: vegetarian thalis, a platter made up of curries, pickles, rice and bread (and watching them try to finish it!).

WORLD'S BIGGEST TRAVEL B CORP

In 2018, we made our commitment to doing good official when we became the world's largest certified travel B Corp. Being a B Corp means we no longer merely strive to make a positive difference in the world, we are legally bound to it. Companies attain B Corp certification and a score based on how they look after their staff, maintain a clean supply chain and take corporate social responsibility seriously. That means when you choose Intrepid Travel, you can rest assured you're travelling to improve the planet.

OUR MISSION

Be the best travel company for the world

TRAVEL WITH IMPACT

We don't think travel should cost the earth, and we see it as our responsibility to help protect the planet we love to explore. We've been carbon neutral since 2010, and we offset the carbon emissions from our global business offices and our trips by supporting various projects all over the world.

Animal welfare

In 2014, we became the first global tour operator to ban elephant rides on our trips after we funded eye-opening research by World Animal Protection.

Ending modern slavery

Last year, we campaigned for laws that recognised orphanage tourism as a form of modern slavery. In 2016 we removed orphanage visits from all of our itineraries.

Gender equality

In 2017, we committed to doubling our number of female leaders by 2020; since then, we've grown from 150 to over 300 female leaders globally.

Community-based tourism

Responsible, community-based tourism is good for travellers and locals alike. That's why we work with organisations like ActionAid to develop projects that empower communities.

BE THE CHANGE

Since 2002, The Intrepid Foundation has been offering travellers a tangible, transparent way to give back to the communities we visit. It's simple: you donate, we double your contribution, and then we give 100% of that money to a community-based project. Thanks to you, we've donated over AU \$7 million to more than 130 local organisations around the world, helping to improve the livelihoods of vulnerable individuals and communities through sustainable travel experiences.

TRAVEL TALES FROM THE JOURNAL

6 REASONS WHY VIETNAM IS PERFECT FOR FIRST-TIME TRAVELLERS

Choosing where to go for your first-ever international trip is practically the equivalent of choosing where to go on your honeymoon: It's a ~very significant~ decision that you'll remember forever and ever. (No pressure or anything!).

But seriously, your first trip abroad is a biggie for a million reasons, not least because it'll be your first time experiencing a culture outside of your own. That means you'll want your destination to hit all the standard requirements – great food, interesting stuff to do, beautiful scenery – as well as being somewhere foreigners are welcome.

May I suggest Vietnam? I went there on a group trip early on in my adventure-taking life, and it's one of the best places for travelling with others, and for first-time international travellers in general.

We all need a little destination inspiration, which is why your next stop should be The Journal, Intrepid Travel's awardwinning blog. Written by travellers, for travellers, The Journal is filled with travel advice, inspiration, stories, city guides and more. I'M A SOLO TRAVELLER IN MY 40S; HERE'S WHY I LOVE GROUP TOURS

The solo travel bug came early for me, and the courage to act on it came much later.

Now in my 40s, this is my go-to mode of travel. I prefer solo travel, and a great way to do it is through a group experience either at the beginning of a trip, or for the whole duration. This summer, I did a group trip with Intrepid Travel in Portugal called Portugal Real Food Adventure, featuring Galicia. The trip starts at the end of the Camino trail in Santiago de Compostela, Spain and ends in one of my most favourite cities: Lisbon, Portugal.

Find out what I loved about this trip, and the top 3 reasons why I prefer group travel when solo.

INCA TRAIL Machu Picchu

Follow in the footsteps of the Inca on an unforgettable hiking adventure along the Inca Trail, or on one of the newer routes on offer. Climb through cloud forests and subtropical jungle in pursuit of an unrivalled final destination: the epic ruins of mighty Machu Picchu.

CLASSIC INCA TRAIL

With its spectacular natural scenery and pre-Columbian ruins, the Inca Trail is undoubtedly a beacon of Peru's trekking scene. This popular trek is no idle Sunday afternoon stroll – while any reasonably fit person should be able to complete it, the relentless uphill (and downhill) hiking can be tough going. The fitter you are, the more you'll enjoy it.

NOT THE HIKING TYPE?

That's fine, we're not going to drive you up the mountains with a cattle prod. On every Intrepid trip that includes the Inca Trail, you can always opt out of the hike and take the train. There is no extra cost for this, although please note that fees may apply if you decide to change to the train option after your Inca Trail permit has already been purchased. While your travel mates are hiking, you'll relax

RESPONSIBLE TREKKING

Intrepid Travel is committed to ensuring the economic and environmental sustainability of the amazing destinations we visit. In Peru, we pay our porters and guides a fair wage and supply them with the necessary resources to carry out their work safely. We also support several community initiatives that promote the long-term sustainability of the region's environment and preserving traditional cultures.

QUARRY TRAIL

Less established than the Inca Trail, this trek offers the same magical scenery, visits three smaller archaeological sites the other trails don't, is less crowded and offers more chances for interaction with local communities. Another bonus is that it doesn't require permits – so once you book, you're set.

CHOQUEQUIRAO TRAIL

Take your boots further with a challenging eight-day hike moving through highaltitude cloud forest, over mega mountain passes and along an ancient trail leading to the well-preserved Inca city ruins of Choquequirao. Think secluded and not for the faint hearted.

WHAT YOU NEED TO KNOW

In order to preserve the Inca Trail, the Peruvian authorities restrict available permits to only 500 per day. They are available on a first-come, first-served basis after they are released each October, so booking well in advance is imperative. For this reason, if you want to hike the Inca Trail, it's best to supply the full details of the passport you will be travelling on at the time of booking. We endeavour to purchase your permit within four days of receiving all necessary information and relevant payment. The Inca Trail is closed during February.

Very important: Since permits are non-changeable and non-refundable, please consult with Intrepid before changing any passport details after booking as this may result in your permit being invalidated.

If we can't secure Inca Trail permits, you can:

- Change to another one of our fantastic trips or choose a different departure date without incurring any penalties.
- Hike the equally incredible Quarry Trail, which includes a day trip to Machu Picchu.
- Stay two nights in Cusco, then travel to Aguas Calientes by train and spend the day exploring Machu Picchu before returning to Cusco.
